CANTON PUBLIC LIBRARY
CANTON, MASSACHUSETTS

Class Of 1989

JUNIOR PROM

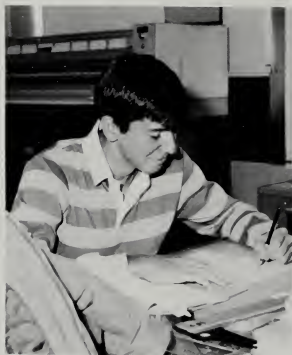

SENIOR BREAKFAST

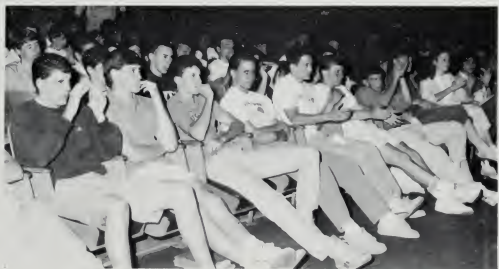

We the Class of 1989 dedicate our yearbook to our teacher, our coach and good friend, Mr. Frank Tricomi.

Mr. Tricomi has helped and supported us through our years at Canton High School. He has worked with us in the classroom, he has worked with us in coaching, he has helped us develop a peer education group, and he has always had the interests of the students of Canton High as his priority.

For the time he has shared with us, for the role model he has been to us, and for always being there for us, we the Class of 1989 say "thank you, Mr. Tricomi."

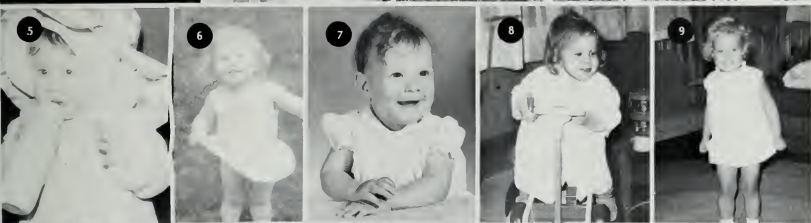

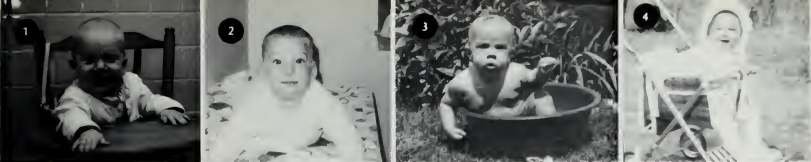

DEDICATION

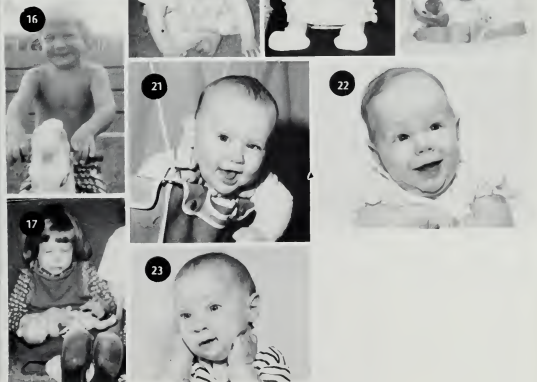

1. Lori G.
2. Traci C.

Each senior is responsible for his/her own writeup and picture.

The Class of 1989 gives special thanks to Mr. Ralph Clough for his many contributions to our four years at Canton High School. He has always supported us in our activities, our athletic pursuits, and our academic achievements.

On behalf of all the students at Canton High, this year and for many previous years, thank you for the caring and kindness you have always shown CHS students and your total dedication to education.

NATIONAL HONOR SOCIETY Canton High School's National Honor Society has had another productive year. The members of the Society have successfully completed such projects as updating schools's activity booklet, updating the BCAF calendar every month, tutoring Canton High School students at no cost, organizing a college return day for the benefit of the 1989 class, and participating in a Heart Fund Telethon. Selected members also visited the Galvin Middle School to meet with prospective Canton High students. A yearly project for members is volunteering to help in a Scholar Dollar Telethon. Members of the National Honor Society are chosen on the basis of scholarship, character, leadership, and service. Every member must have an outstanding grade point average and must be voted in by a faculty council and the principal.

CENTURY CLUB: Row 1: D. Sullivan, S. Keith, S. Springer, M. Fox, B. Kemalian, W. Coleman, D. Deragon, C. Oriola. Row 2: J. Flanagan, B. Bryant, A. Zamarripa, A. Samsel, J. Levine, B. Mitchell, K. MATH TEAM

Row 1: E. Tan, A. Fitzpatrick, Mr. Sweeney, Mrs. Powers, C. Healy, Mr. Badoian. Row 2: T. Russell, M. Stevens, S. Keith, W. Coleman, B. Bryant. Row 3: E. Emde, B. Silverman, J. Levine, J. Flanagan, B. Kemelian. Row 4: J. Chen, A. Samsel, B. Lawlor, D. Durant, J. Heyman, D. Chen.

The Canton High School Math Team continues to dominate in league, state, and New England competitions. For more than ten consecutive years, the team has won the two league titles, the Greater Boston Math League and the Massachusetts Math League. For the past eight consecutive years, the team has won both the State and New England titles. The team's goal, which should be realized, is to continue this tradition; that is, to win the two league titles, the State and New England titles, and be the best. Many of the students on the team have been recognized not only at the league level but also at the state and regional levels.

The Canton Mathletes continue to have the largest number of finalists in the state-wide competition known as the Olympiad. Over 5,000 students compete in the first level of this competition, and 100 students are selected as finalists for a follow up examination. This year Canton High School is sending nine students to the second level.

Also this year, the Canton High School Math Team won the Worcester Polytechnical Institute Invitational. They also won the National Council of Teachers of Mathematics Student Conference Competition. They have also won the Hockomock League Title for the two years it has been going on.

This is quite a remarkable accomplishment and certainly a tribute to the hardworking, conscientious students as well as their equally hardworking advisors: Veronica Powers, William Sweeney, and Martin Badoian.

The French, German, and Spanish Clubs have provided the students at Canton High with an opportunity to explore the life and culture of foreign countries through speakers, food festivals and visitors from other countries.

This year the families in Canton had the opportunity to host students from France, Germany, and Spain and share in the cultural experience along with the students at Canton High. The exchange programs have been very successful and involve many students at Canton High in the experience.

SADD Awareness Week was held again this year to alert and to remind people not to drink and drive. SADD has been involved in many fundraisers this year; pins and keychains were sold throughout the school. In December Santa arrived to take pictures with the students which was quite successful. Many assemblies were arranged by SADD.

We thank you and think you students are great
even though many of you ordered your prom flowers late.

We must admit that kept us on our toes,
as we hoped our flowers attributed to your date being pretty as a rose!

Best wishes and good luck to you all forever, in whatever you choose
as your future endeavor.
